Re: Integrated Business Core Class

Gentlemen:

*"I have no greater joy than to hear that my children are walking in the truth."—3 John 4*

This past month, I've had the opportunity to engage with many of the young men and women who participate in the Integrated Business Core class of Cedarville University. Over the course of two weekends, they spent several hours clearing the tree line of Camp Jabez ([www.campjabez.org](http://www.campjabez.org)), our church camp property located on Ohio State Route 380, south of Xenia. As an aside, this is the second year that the IBC has served at Camp Jabez.

Once again, I would like to commend you on your students. They truly represent Cedarville University well; they model Christ in all that they do. They are engaging, displaying a love for each other while performing diligently the most menial of tasks, but tasks that are very important to our ministry.

During the course of each year, well over 200 people volunteer at the Gospel Mission and at Camp Jabez. We count it a real blessing that so many Cedarville students are included in that number, whether performing very specific projects (IBC) or mentoring at-risk youth in our Friday night God's Guys and God's Girls programs.

Relative to the IBC, I would like to specifically commend Wade Kyser for his leadership, and his servant-like approach in leading others.

We pray for God's continued blessing on Cedarville University, its students, faculty and staff. We are most grateful for the many years that we have been able to truly partner with you as we minister to the lost and the hurting in our community.

In CHRIST,

  
Rich Anglin
